

# Buffalo Creek Watershed Assessment and Protection Plan

*June 2005*

**Prepared for:**

Buffalo Creek Watershed Association

**Prepared by:**

Western Pennsylvania Conservancy  
Watershed Assistance Center  
246 South Walnut Street  
Blairsville, PA 15717

This project was financed in part by a grant from the Growing Greener Program under the administration of the Pennsylvania Department of Environmental Protection.

## Acknowledgements

This project was completed through a partnership among Buffalo Creek Watershed Association, Western Pennsylvania Conservancy, and the numerous individuals and organizations listed below. We would like to thank the individuals and organizations that gave notable volunteer time and resources to this project, as well as any other contributors that we may have missed.

### Individuals

Doug Dunkerley, Pennsylvania Game Commission  
Robert East, Washington and Jefferson University  
Ron Eisert, local historian  
Sister Mary Joy Haywood, Western Pennsylvania Botanical Society  
Larry Helgerman, Three Rivers Birding Club  
Jeffrey Litehauser, Washington County Planning Commission  
James March, Washington and Jefferson University  
Tom Pearson, Westmoreland Bird and Nature Club  
Matt Sarver, volunteer naturalist  
Walt and Dana Shafer, Three Rivers Birding Club  
Jose' Teracido, California University of PA Partners for Wildlife Program  
Michael A. Vacca, landowner and Buffalo Valley Alliance member

### Organizations and Groups

Buffalo Township, Washington County  
Buffalo Valley Alliance  
California University of Pennsylvania  
Partners for Fish and Wildlife  
Pennsylvania Department of Environmental Protection  
Pennsylvania Game Commission  
Three Rivers Birding Club  
Washington and Jefferson University  
Washington County Conservation District  
Washington County Planning Commission  
Westmoreland Bird and Nature Club  
Western Pennsylvania Botanical Society

Advisory Reviewers\*

(\*provided advisory guidance on one or more sections of the plan)

Rita Coleman, Watershed Manager, Pennsylvania Department of Environmental Protection  
Susie Carmichael, Watershed Specialist, Washington County Conservation District (WCCD)  
John Harper, Geologist, DCNR Bureau of Topographic and Geologic Survey  
John Hewitt, Agricultural Administrator, WCCD  
Gary Stokum, Conservation District Manager, WCCD

Buffalo Creek Watershed  
Association Steering Committee

Kevin Barletta  
Melissa Crane  
Ted Flickinger  
Jim Powell  
Robin Smith  
Michael Vacca  
David Williams

Image Data Sources

Sources of GIS Data Layers included Southwestern Pennsylvania Commission, National Land Cover Dataset, U.S. Census Bureau, and West Virginia GIS Data Center. All uncredited photos were taken by current WPC employees.

<b>Title Page</b> .....	<b>i</b>
<b>Preface</b> .....	<b>ii</b>
Acknowledgements	
Table of Contents	
List of Tables	
List of Figures	
<b>Introduction</b> .....	<b>I-1</b>
<b>Executive Summary</b> .....	<b>ES-1</b>
<b>History of Buffalo Creek Valley</b> .....	<b>H-1</b>
<b>Project Area Characteristics</b> .....	<b>1-1</b>
Watershed Characteristics	1-1
Major Tributaries	1-3
Climate	1-3
Air Quality	1-5
Land Use	1-6
Topography	1-10
Geology	1-12
Soils	1-13
Eco-Region	1-17
Oil and Gas Wells	1-18
Coal and Other Minerals	1-20
Illegal Dumping	1-24
Sensitive Areas	1-24
Socio-Economic Profile	1-26
Land-Use Controls and Planning Issues	1-28
Recommendations	1-35
<b>Natural Resources Assessment</b> .....	<b>2-1</b>
Overview	2-1
Plants and Plant Communities	2-1
Wildlife	2-9
Species of Concern	2-26
Important Areas for Conservation	2-27
Recommendations	2-40

<b>Water Resources Assessment.....</b>	<b>3-1</b>
Important Components of Water Quality	3-1
Watershed Protection Laws	3-3
Previous Water Quality Studies	3-8
Recent Water Quality Improvement Activities	3-13
Western Pennsylvania Conservancy Watershed Assessment	3-16
Recommendations	3-37
<b>Outdoor Resources and Recreation.....</b>	<b>4-1</b>
Recreational Opportunities	4-1
Future Needs and Considerations	4-4
Recommendations	4-5
<b>Issues and Management Recommendations.....</b>	<b>5-1</b>
Public Surveys	5-1
Key Issues and Management Recommendations	5-3
<b>References.....</b>	<b>6-1</b>
<b>Appendices</b>	
Appendix A Vascular Plants of the Buffalo Creek Watershed	
Appendix B Bird Species of the Buffalo Creek Watershed	
Appendix C Recorded Butterflies of the Buffalo Creek Watershed	
Appendix D Washington and Jefferson University Salamander Results	
Appendix E Fish Species and Tolerance Levels	
Appendix F Model Riparian Buffer Ordinance	
Appendix G NPDES Permits, West Virginia portion	
Appendix H Water Quality Database	
Appendix I Western Pennsylvania Macroinvertebrate Protocol	
Appendix J Pennsylvania DEP Wadeable Streams Field Form	
Appendix K Macroinvertebrate Tolerance Values for Pennsylvania Streams	
Appendix L Macroinvertebrate Protocol for Watershed Groups	
Appendix M Visual Assessment Field Form	
Appendix N Visual Assessment Database and Map	
Appendix O West Virginia DEP Water Quality Sampling Results	
Appendix P Funding Sources	
Appendix Q Important Contact Information	
Appendix R Public Comments (April 21-May 30, 2005)
