

**WESTERN PENNSYLVANIA CONSERVANCY
GEOCACHE IDENTIFICATION FORM**

Western Pennsylvania Conservancy lands are open to the public and free of charge. WPC promotes use of its property for outdoor recreation and enjoyment. In general, common sense is the best guide to the use of Western Pennsylvania Conservancy lands. Consideration for resident plants, animals and human visitors, should always be practiced. Recreational activities such as hunting, camping, horseback riding, etc. are done at the participant's own risk. Conservancy property is found in its natural state and is unimproved land. Your request for a hunting, horseback riding or camping permit and your acceptance thereof is your acknowledgment that you agree to use Conservancy property at your own risk and to hold the Conservancy harmless from any liability or damages arising out of your use of Conservancy property.
